

Sunshine Kids Foundation,

April 21, 2002

Thank you so much for the opportunity to participate in the 2002 Las Vegas Getaway. We had a wonderful time, we were sad to see the week come to an end. We appreciate everyone's thoughtfulness and kindness, especially the staff and volunteers. We all have great memories of this trip that will last a lifetime, as well as many new friendships. Thank you.

Sincerely,

Children's Hospital and Regional Medical Center-Seattle
