To the staff of the Sunshine Kids,

I just wanted to thank you for sending me to New Orleans. Never in my wildest dreams did I think that I would have been able to go to New Orleans for Mardi Gras. I was able to meet new people that have gone through the same things I have. The friendships I made on this trip will be forever because we will all be linked together by our experiences.

You thought of everything that we would need, and then some. From toiletries, to hats and tee shirts, to cash, all the way down to super strong sun block. You guys really know what childhood cancer patients need, and what will be fun.

Everyone was so gracious and understanding. They really showed that they cared about us. The memories that I have from this trip I will keep forever. Everything was absolutely wonderful and I hope that I will be able to go on more trips with the group. You guys really know how to make a kid who was sick for the past year feel like a million bucks. Thank you so much!!!

Love,
