Dear Sunshine Kids,

I wanted to thank you for including children from the Lubbock area on your recent Texas Hill Country Adventure. Shea Culver, Roy Vega, and Lorina Flores had a wonderful time! Kay-Lynn Hirst, our medical representative, told us all about their adventures. This trip allowed the children to do a lot of "firsts." A first motorcycle ride, first trip to Sea World, first time tubing, and so much more. You have given them so much joy and memories that will last forever! You have given these children the opportunity to be kids again, and to leave the stress of dealing with cancer behind. Thank you for all you have done and for all that you continue to do everyday.

Sincerely,

*Kristen Romig*
