

JUNE, 2002

I just wanted to let you know how much we appreciate the opportunity you provided to Taryn by allowing her to participate in your recent Los Vegas Get Away - Taryn had an absolutely wonderful time, she talks about it every day. The chance for her to meet & really get to know other young people facing similar challenges was so beneficial to her outlook and spirit. And the taste of "freedom" from Mom, Dad & hospitals was healing in and of itself.

Thank you sincerely -
