

This year, Prudential Homesale Group adopted the Sunshine Kids as a company wide charity. Established in 1982, the Foundation is committed to providing quality group activities and emotional support for Kids who are receiving cancer treatments in hospitals across North America.

The Kids are selected by the medical staff of the participating hospital for each activity. In addition to paying for all expenses, the foundation provides a staff of doctors and nurses who monitor the medical condition of each child during the event.

The Sunshine Kids operates solely from the support of private and corporate donations; no government funding is involved. Many of our agents already support the Sunshine Kids through our agent donation program in which they donate a portion of their commission on each of their transactions. It is our pleasure as Prudential Landis Homesale Services, the Eastern Region of the company (Schuylkill Haven and Wyomissing Offices), to organize this golf tournament.

We hope that you too, will help put smiles on the faces of young cancer patients everywhere.
